

Did You Know...?

It takes 70 lbs of Food and 200 lbs of Litter a WEEK to care for 50 cats!

One week old Snowy is typical of many of Safe Harbor's new arrivals. She and her brother will be dropper and bottle-fed every four hours until they're old enough for solid food.

Please help us make a difference in the lives of homeless pets. Safe Harbor accepts financial donations as well as goods and services. We are in the process of obtaining our Nonprofit status and we hope that by the end of 2005 all donations will be tax deductible.

Your gifts to Safe Harbor will:

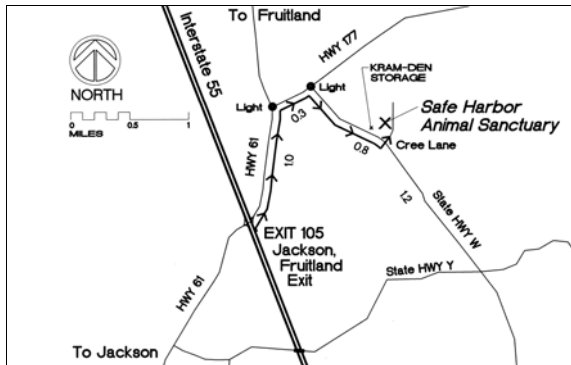

- ◆ Facilitate the adoption of pets to responsible owners
- ◆ Make it possible for us to spay and neuter all rescued cats and dogs
- ◆ Provide basic vaccinations
- ◆ Meet basic and extraordinary medical needs of surrendered and/or rescued cats and dogs
- ◆ Provide food, litter, and shelter for the sanctuary population
- ◆ Rescue stray and injured animals
- ◆ Provide humane and safety education to students

4-month old Dasher was live trapped at golf cart shed at Bent Creek Golf Course.

◆ Safe Harbor also needs gifts of time, energy, and talent. Won't you consider becoming a Safe Harbor Volunteer? See our Volunteer brochures for details or download an application for the our website.

Guardian Angels

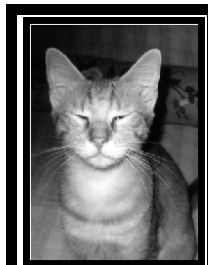

Fearless is a male Manx who will probably never be adopted. Born with spina bifida, he has no bowel or bladder control. Fortunately he has no objection to diapers, which have to be changed several times a day. This loveable, outgoing kitten hasn't got a shy bone in his body.

A few of our cats are not good candidates for adoption and will probably be sanctuary cats for the duration of their natural lives. We also house some felines with special needs: they may be elderly, or they may require a high level of medical or maintenance care like little Fearless here.

Our ongoing expenses for these animals include food, veterinary care, diapers (!), and many other things that are part and parcel of responsible pet caretaking.

You can help us by taking one of these unadoptable felines under your wing, so to speak, and assuming some or all caretaking costs (the level of sponsorship is up to you). Call us for details to find out how you can become a Guardian Angel to one of our special kitties.

HOW TO MAKE YOUR DONATION

Rocky was rescued from Trail of Tears Park. He's a lively fellow who would probably do best with a companion cat who would let him work off some of his energy.

If you would like to help us and our animal friends with a financial gift, please send your check made payable to Safe Harbor Animal Sanctuary to:

To make a donation from the We Need It! List, you may drop by on Saturdays between 11 and 3 p.m. For all other deliveries, please call the Sanctuary Director to arrange for a Staff member to be on hand to accept your delivery.

Coordinate a Fundraiser

The Safe Harbor Animal Sanctuary GIFT ("Give It From The Heart") program provides a way for student groups and other organizations to help the sanctuary. If your class, company, or organization is looking for a service project, here are some ideas:

- ◆ Organize a supply drive
- ◆ Collect Pennies for Pets
- ◆ Hold a fund raiser
- ◆ Sponsor an educational seminar
- ◆ Sponsor advertising
- ◆ Collect items for our Rags-Into-Riches Rummage Sale Fund-raisers

Puddles and Sparky were abandoned at 3 weeks of age and had to be bottle fed. These once-frail kittens are now lively, playful, and love to be handled.

If you would like to organize a food or supply drive for the sanctuary, here are five easy steps to making a difference:

1. Call the Sanctuary Director at 573-243-9823 to find out what items are needed most. Useful items include high-quality, name-brand dry dog and cat food, and shelter equipment and supplies from our We Need It! List. Store-bought treats and toys are always welcomed.
2. Set a target date. Decide the date you'd like to present your items to the sanctuary and be sure to allow yourself 4-6 weeks for collecting the items. Don't forget to get permission first.
3. Advertise. Spread the word about your collection with posters and flyers. Set up colorful donation boxes at convenient locations around the school, community or office. Offer an award to the student/employee or class/department that contributes the most items.
4. Stay positive. Don't give up if your collection starts off slowly. Be persistent and tell everyone you know their help is wanted and needed. Your success and dedication will be an inspiration to others!
5. Make a first-class delivery. Keep collecting until right before your target date, then schedule a time to deliver the items you've collected to the sanctuary.

Finally, when you're done, don't forget to celebrate! Let the local media know or write an article for the school and/or local newspapers and send thank you notes to sponsors and volunteers. Send us your Accomplishment Report so we can celebrate, too.
