FELLOW ANIMAL LOVERS:

While many animal shelters are closing their doors due to lack of funding, two Southeast Missouri No-Kill shelters are merging to better care for the area's displaced animals.

Safe Harbor Animal Sanctuary in Jackson and SunDog Cat Sanctuary in Bloomfield are merging. This means that Safe Harbor's feline population will double, so in order to do this the animals need YOUR help.

The merge has created an immediate need for a new building on Safe Harbor's property. That's why we're launching the "Give Me Shelter" capital campaign effective immediately!

First and foremost we need money for the structure and excavation. The estimate for this project is \$60,000.

HOW CAN YOU HELP?

Make a tax deductible donation. Any amount no matter how large or small is welcome. Write a check and send it to the address above or donate securely online at our website. We will send you a receipt for your tax-deductible donation. (Did we mention that it's tax-deductible?)

Promote awareness and help us raise funds by asking friends and family to do the same. (Many small donations make a huge difference!)

Volunteer your time. We need electricians, plumbers, and construction workers to help us build the new, expanded facility. And if you're not great with a hammer, don't forget that we ALWAYS need Pet Care Volunteers at the Sanctuary. Safe Harbor is operated 100% by volunteers who generously donate a few hours a week.

Donate much needed supplies — Building Supplies and Pet Care Supplies are needed. (See the "Donate" page of our website for "Our Wish List" of needed pet care supplies).

Adopt one of our Adorable Adoptables! You can see all of our available pets on our website.

With your help, by June 1st the cats can move into their new shelter home, where they will be assured of sanctuary until they are adopted into their FOREVER homes.

Please help us fulfill this dream. It's caring people like you that enable shelters like ours to exist and give deserving animals a second chance. We promise you will be blessed with "warm fuzzy moments" when you open your heart and make a donation.

We thank you for your continued support!
